Apply for a discounted or free Membership Addition to attend Community Workshop for free!

## perennial + memberships

Perennial is a community workshop + store that offers educational programs in creative reuse to diverse populations and sells eco-friendly project supplies and handmade DIY kits. Perennial's mission is to build a creative culture of sustainability in which discarded items are transformed into valued and cherished resources.

In order to keep participant fees for our public programs low and accessible, Perennial utilizes a membership system to help cover the operational costs of running our community workshop and non-profit organization at large. Annual memberships range from \$55/year to \$1,000/year, and members receive discounts on classes, products, and more. Members can also purchase a Membership Addition for a steeply discounted entrance fee to Community Workshop.

---

## community workshop

Community Workshop is a weekly program open to the public. Design, make, and build your own projects from salvaged materials. During Community Workshop, Perennial staff will be on hand to offer design and build advice! You'll have access to our space, our tools, and our creative reuse pros. You can even scrounge through our reuse materials to discover a project to work on or find the pieces and parts you need for something you bring in.

For non-members, Community Workshop is \$10 per workshop for access to the Reuse Studio and \$20 per workshop for access to both the Reuse Studio and Woodshop. For Members, Community Workshop is \$15 per month (6 workshops) for access to the Reuse Studio and \$30 per month (6 workshops) for access to both the Reuse Studio and Woodshop. Members may also pay upfront for a further discounted full year of access to Community Workshop

---

## membership scholarship

Perennial strives to make Community Workshop accessible to all members of the St. Louis community regardless of income. A limited number of Membership scholarships are offered each year to community members.

If you are selected for a scholarship, you can receive:

> A Recycler Membership for one year

> Benefits include: 20% off classes, 10% of Perennial-made goods, free admission to reMAKE.

> Any Membership Addition requested below

---
