

# PERENNIAL REDESIGN SHOWCASE

Be a part of the inspiration and as Perennial gathers artists and designers from around the region to showcase what's possible when we get creative! Each designer will transform a discarded piece of furniture into a unique piece to raise funds for Perennial's non-profit programs.

SUPPORT  
CREATIVE  
REUSE

Perennial is non-profit organization serving the St. Louis Region in it's mission to build a creative culture of sustainability where discarded items are transformed into cherished resources.

Perennial offers:

- Skill based classes on how to repurpose salvaged items and build sustainable habits
- Accessible workshops through community outreach partners
- Free studio access and materials to women at transitional points in their lives
- Community clothing swaps

In 2023 Perennial served 4,368 people and diverted 22,000 pounds from the landfill
