Begin with a creative reuse brainstorm, then put your imagination to the test, turning salvaged materials into something new. Yes, reclaimed trophies will be awarded! The focus is on transforming physical items, but this activity has been proven to help our team creatively solve problems of all kinds.

## CRAFT VAN TOUR

We've hit the road! Tour our ReUse Mobile to see for yourself how we've built it out using sustainable materials, how we use it, and the impact it allows us to make in the St. Louis region. Follow along with a scavenger hunt as you explore the van and discover each nook + cranny's treasures.

# Group Workshop FAQ

## What is Perennial?

We're a non-profit that teaches people how to turn discarded items into cherished resources. Hosting an event with Perennial supports all of our sustainability efforts and helps keep more pounds out of the landfill.

## What if my group isn't crafty?

All of our projects are beginner-friendly! Guests will be surprised by what they can do with upcycled materials.

## How many people can I host?

Crafty Hour and Craft + Conversation work best with 50 people or less. Festivals work best with 50 people or more. That said, we're nothing if not scrappy; email [events@perennialstl.org](mailto:events@perennialstl.org) with specific questions about your event. Our studio can accommodate up to 35 people for a seated event and 50 people for a standing event. At other venues we can be more flexible.

## Can I host my event at Perennial?

We can schedule events at Perennial based on studio availability. Events can typically be scheduled at Perennial Tuesday through Friday during the day and on Friday evenings. Our studio accommodates up to 35 people for a seated event and 50 people for a standing event.

## Can I serve food and/or drinks during my workshop?

Absolutely! All of our group workshop options factor in a bit of time for snacking and socializing. We recommend choosing a [Green Dining Alliance](#) vendor. If your event will be at our studio, you may provide alcohol, but you cannot sell it. We welcome you to use our kitchen + dishware, which can accommodate up to 20 people. Outside of Perennial, we encourage reusable dishware or compostables.

## Can I book an event for a group of children?

At this time Perennial's resources are dedicated to adult beginners. We recommend checking out LitShop, COCA, The Magic House, and Yucandu for youth crafting opportunities.

## What are your terms of payment?

We require that a 25% deposit be paid upon booking to secure your event on our calendar. The remaining amount will be due within 30 days after your event. Our cancellation policies are as follows:

- If your group cancels the event
  - 30-14 days prior to the event, 50% of the deposit will be refunded
  - 14 days or less prior to the event, deposit will be forfeited
- If Perennial cancels the event for any reason, Perennial will provide a full refund.

## Can I request a craft that's not listed for my workshop?

We love to flex our creative muscles by inventing new crafts for groups! Custom crafts are available for an increased rate. Just fill out the form, give us a theme to work off of, and let us get to brainstorming! We'll agree on the craft together before your event.

## Can I rent Perennial's space for my own event?

Our studio is currently operating at full capacity. Hosting your own event at Perennial is reserved for select organizations and individuals who are working on a community driven project. Please email [events@perennialstl.org](mailto:events@perennialstl.org) to see if your event is a good fit.
